wing story by Dickens will th satisfaction, we hope, both who favor and those who oppose the new crusade against intem-

Once upon a time, as Mr. Dickens relates in his "Tale of Two Cities," there lived in Exland a "resurrectionist," that is to say, a body-snatcher, by the name of Jerry Crupcher, in whose house the scene of our tale opens, just as the hero awakens after a night spent at his favorite occupati n. Mr. Cruncher reposed under a patch-

work counterpane, like a harlequin at |, home. At first he slept heavily, but by degrees began to roll and surge in bed, until he arose above the surface, with his spiky hair looking as if it must tear the sheet to ribbons. At which juncture he exclaimed, in a voice of dire exameration : "Bust me, if she ain't at it again!"

ner with sufficient haste and trepidation to show that she was the person re-

After hailing the morn with this second salutation, he threw a boot at the woman as a third. What," said Mr. Cruncher, varying his apostrophe after missing his mark, What are you up to, Aggerawayter? "I was only saying my pravers." "Saying your prayers! You are a nice woman! What do you mean by flooping yourself down and praying

"I was not praying against you; I was praying for you." "You wer'nt. And if you were, won't be took the liberty with. Here Your mother's a nice woman, Jerry, going a praying agin your father's presperity. There got a dutiful mother, you have, my son. You've got a religious mother, you have, my boy; going and flopping herself down, and praytched out of the mouth of her only

Cruncher (who was in his shirt) took this very ill, and, turning to his mother, strongly deprecated any 'And what do you suppose, you con ceited female," said Mr. Cruncher, with nuconscious inconsistency, "that the worth of your prayers may be? Name the price that you put your prayers at." They only came from the heart, Jerry. They are worth no more than

peated Mr. Cruncher. "They ain't worth much then. Whether or no, I won't be prayed agin, I tell you. I can't afford it. Im not going to be made unlucky for your sneaking. If you must go flopping yourself down, flop in favor of your husband and child, and not in opposition to 'em. If I had any but an unnatural mother, I might have made some money ast week, instead of being counterprayed and countermin d and being religiously circumwonted into the worst of luck. "Bu-u-st," said Mr. Cruncher, who had been all this time putting on his clothes, "if I ain't, what with piety and one blowed thing and another, been choused this last week into as bad luck as ever a poor devil of an honest tradesman met with. Young Jerry, dress yourself, my boy, and while I clean my boots keep an eye on your mother now and then, and if you see any signs of any more flopping, give me a call. For I tell you," here he

Protecting Southern Seaports From Yellow Fever.

THE BEAUTIFUL GATE OF SLEEP. The Beautiful Gate of Sleep is barred ! Oh, Angel within I—
The panels of pearl, with diamonds starred,
Give back no sound to my feeble knock;
I have no key that will turn the lock!
How long must I wait?
Ob, evermore and forevermore
Must I stand at the Beautiful Gate?

My garments are thin-my sandals worn! Sweet Angel within :—

How piercing the blast—how sharp the the life night is cheriese? the wind is wild?

My bruised heart sobs like a pitiful child?

How long must I wait?

Oh, evermore and forevermore
Must I stand at the Beautiful Gate?

Oh, Angel within !Or famed, I would lay my laurels down;
Or rich; I'd yield thee my treasured gold,
For thy sweet sheller from rain and cold!
How long must I wait? Ob, evermore and forevermore Would I pass through the Beautiful Gate

That you will ever be true to me!"

THE OLD STORY. "The sails are set, and the breeze is up, And the prow is turned for a northern sea-Kies my cheek, and yow me a yow

"I kiss you cheek, and I hiss your lips, Never a change this heart shall know. O, but the northern nights are keen!
The sailor clings to the frozen shrouds—
A kies burns hot through his dream of home
And his heart goes south with the flying clo The maiden laughs by the garden gate,
(Dreams of love are the somest o'er!)
Kisses fall on her lips and hair—
And the world goes on as it went before,

How Snow Blockades are Broken on the Central Pacific Railroad. Once in a while, when the storm would ighten up, we could catch a glimpse of the great snow-plow, with its six engines, around some bend, driving into the drifts with a force that it would seem would move the world. These snow-plows are a curiosity, both in their construction and the manner in which they do their work. They are immense structures -I say structures, for they are as big as a two-story house-and And do you want me to tell you the weigh from 45,000 to 65,000 pour s, In front they are shaped like the iron doubtedly very large, but on the legal prow of an iron-clad frigate, only the sharp vertical portion of this prow changes into a flat surface where it aproaches the ground. Attached to this flat or horizontal prow is what is called an "apron." This apron is attached to the prow by means of hinges. It lifts up and lets down directly on the track at pleasure, and when down it is held

there by large steel springs. When in my tion this apron slides right on the largest the South Far into the German Empire, presented a nevel question of legislation of the largest the South Far other little important and any other little important the favorite resort of liese creature. other little irregularities with ease | who come here in astonishing nun The long prow is pushed under the every summer to breed; and it is fourteen deputies aflowed a seat in that body from the new provinces, made a formal entry on the 24th ult, and asked seat in that the eggers resort at this season to obtain supplies of sea-bird's but we proceed to iron, and find ore in formal entry on the 24th ult, and asked a special privilege, that as they could which divides it, and hurls it off on either where they have a regular and large of speak the German language, they side.
